

## TCG Certification Compliance Test Suite List

### Limited Time Offer

## List Your TCG Products on ULINK's Test List for FREE!

For a limited time, ULINK is offering free testing of the TCG Storage Compliance test. If your product passed the **Compliance Test Suite** testing, it will be listed on **ULINK's UTL website** for free.

ULINK Test List (UTL) is a database on ULINK's website which lists the devices that have passed testing at the ULINK Test Lab. Test results can also be viewed on the **ULINK Test Reporter website**.

### New TCG CNL Application Note Test Suite Is Now Available

ULINK is also excited to announce that we have released the new test suite: **TCG Configurable Namespace Locking Application Note Test Suite v1.0**. This test suite is for companies who want to test the CNL features based on the CNL application note.

For more information please visit our **Contact Page** or contact your **ULINK representative**.
