

UTL - ULINK Test List

TCG Opal Family Certification Test Suite List

List Your TCG Opal Products on UTL - ULINK Test List for FREE!

Greetings!

For a limited time only, ULINK is offering free testing of TCG Opal products with our TCG Opal Family Certification Test Suite. And if your products pass the test, we will list them on the UTL webpage for free.

*Outside of this promotion, testing with our TCG Opal Family Certification Test Suite and listing on UTL would cost \$3,000 USD per device.

UTL is a webpage on ULINK's website which lists devices that passed testing at [our test lab](#). Being listed on UTL assures your global partners and customers that your devices have passed our rigorous TCG Opal Family Certification test. UTL consists of two tables, one for devices that passed the [TCG Opal Family Certification Test Suite](#), and one for devices that passed other [ULINK Test Suites](#).

STANDARDS

Join our TCG Opal Family Certification Test Program today:

- Submit your drives
- Drives that pass will receive a certificate
- Drives that pass will be listed on the [UTL webpage](#)
- All tests must be performed at ULINK Test Lab

*ULINK is an approved [TCG Storage Certification Test House](#). ULINK TCG Opal Family Certification Test Suite is a [TCG approved Test Suite](#).

For more information please visit our [Contact Page](#) or contact your [ULINK representative](#).
